

**WHAT'S  
HAPPENING  
IN  
ARENA  
CHURCH**

**JANUARY-MARCH 2022**

---

We have an exciting new schedule for our midweek programme and do hope you will be able to join us. Some are live and some are online but we extend an invite to you - Everyone is Welcome!

You will also note that there are fewer midweek events, Centrally however this is to allow time throughout the month for Campus meetings, groups and also we are giving the year for a more focussed time of discipleship training. Below are the Central events for January to March 2022; hope to see you there!
